not exist,  
officially.

People who  
break the rules  
are dropped  
to a lower-  
ranking class  
in accordance  
with the punitive  
clause.

Enforcing the  
rules in  
Jyosh-kō  
is the  
disciplinarian's  
job.

You're  
saying that  
the student  
council is  
involved in  
this?

Wait a  
minute,  
Munechika.

We will  
decide  
Azusa  
Mizutani's  
punishment.

You got it wrong.  
We're having a hard  
time controlling  
these girls too.

Please stop  
the public  
execution  
now.

Someone in the student council is fueling the students.

The only person who can stop the girls is the student president.

Unfortunately, she's attending an inter-academic social event with Yûhi right now. I don't have such power.

Nobunaga is the executioner behind the scenes.

Someone in the council?

I don't believe it.

a lot of  
trouble.

Wow.

Do you  
know Rise  
Okitsu?

She's  
my girl-  
friend.

Didn't expect  
you falling  
from the sky.

Could you  
protect her so  
that she won't  
get involved?

I'll be  
right  
over.

Where is  
she?

Uh huh.

TSK!

That way...
